

Birthday Party Themes

Wiggly Worms: You and your friends will enjoy digging, wiggling, and giggling as we do hands-on exploration of worms inside and then search for them in their natural habitat.

All About Birds: Feathers, beaks and talons! You and your guests will learn about our amazing feathered friends and explore our sanctuary as we identify resident birds.

Insect Investigation: Enter into the wonderful world of insects, meeting our resident Madagascar Hissing Cockroach before heading outside to search for insects and other creepy crawlies.

Reptiles and Amphibians: Shells, scales and slime! You and your friends will meet one of our resident reptiles and then explore our sanctuary, searching for the reptiles and amphibians that make their home here.

Animal Clues: Tracks, scat and scrapes—oh my! You and your guests will become nature detectives, exploring our sanctuary for signs of the animals that live here.

Winter Detectives: Baby it's cold outside! Bundle up and head outside with your friends as we investigate our nature sanctuary, looking for clues of survival from the critters that love winter.

Stayin' Alive When the Winter Winds Blow: Don't hibernate in chilly weather! Let's explore how critters huddle, cuddle and even freeze to beat winter cold.
