Summer Camp Environmental Education Internship

Interested in a challenging, rewarding, and flexible job outdoors this summer? Do you enjoy working with children of all ages exploring wild places, doing “hands on” environmental education, and having great outdoor camp adventures? Then this could be the job for you!

About Our Camp
The Audubon Naturalist Society (ANS) seeks highly motivated and creative individuals for the 2018 Camp Audubon season. Camp Audubon offers day and overnight programs for children ages 4-17. Camp is based at our 40-acre nature sanctuary in Chevy Chase, MD. ANS provides a dynamic work environment with friendly, creative, and knowledgeable staff. Take a look at our camp catalog at www.anshome.org/summer-camps to see what we are all about.

General Schedule and Position Descriptions
Interns assist teachers/naturalists with lessons, games, and hikes and through a gradual schedule, will plan and lead lessons on their own by the end of the summer. This is a 10 week, full-time summer internship starting on June 11th and ending on August 17th. Nine positions are available. We provide a $3,000 stipend for the summer and no on-site housing.

Requirements
High school degree
Experience working with children
Basic knowledge of natural history/biology
Must enjoy working outside
Past camp experience a plus
CPR/First Aid/AED certification (provided by ANS)

How to Apply
