

## After School Naturalist

We are looking for highly motivated and skilled persons to join the Audubon Naturalist Society team. We seek individuals who are passionate about transforming and improving educational outcomes for children in the areas of science and nature.

### Responsibilities and duties

- Deliver STEM-oriented instruction once a week for 1 hour a week per school (5-6pm)
- Use hands-on teaching methods that are appropriate to the maturity and interests of the students (ages 5-10 years)
- Learn and execute one of three lessons (Garbology, Salad Science, and One Watershed Neighborhood) chosen by the school
- Be accountable for students' academic growth and increase each individual student's achievement
- Create a positive and fun learning environment

### Qualifications

- Bachelor's degree or higher in science/ education related degree (Or equivalent experience)
- Strong instructional skills and classroom management
- Strong science or education background or experience
- Knowledge of the environment and how to incorporate into instructional practice
- Ability to self-reflect on teaching practices and be responsive to feedback
- Innovative Problem-Solving: Approaches work with a sense of possibility and sees challenges as opportunities for creative problem solving; takes initiative to explore issues and find potential solutions.
- Adaptability: Excels in constantly changing environments and flexible in shifting projects or priorities to meet the needs of a dynamic transformation effort; comfortable with ambiguity and non-routine situations.

Compensation: \$250 for 8 weeks (Per school)
