Audubon Adventures

Ages: For rising 1st-4th graders. After careful review of Maryland Department of Health orders, our staff’s expertise, and our survey results we feel that we are best able to safely educate this age range.

Cost: $450 per week. The cost of camp has increased for several reasons. We will be operating smaller camps with more staff (4:1 ratio instead of 8:1) and camp will run for longer (35hr/week instead of 30hr/week). More staff are also needed to comply with strict cleaning procedures and we have a large increase in supplies such as hand sanitizer and outdoor hand washing stations. In addition, ANS is a non-profit 501c3 and camp provides vital income that keeps our historic property operational.

Registration: All families will need to re-register their campers for Audubon Adventures. We know that this is stressful; however, since our whole camp model has changed and we have new policies and offerings in place we feel this is the best way to continue.

Facilities: All camps will take place entirely outdoors on our 40-acre nature sanctuary. Each group of 8 campers will have a “home base” where the group will leave their belongings and gather for lunch and crafts. Each camp group will remain separate and will not interact or share spaces with other camp groups. Each group will be assigned an outdoor bathroom and hand washing station. A separate indoor classroom space will be available for each group if there is inclement weather.

Masks: Camp staff are required to wear masks at all times. Campers are required to wear masks when receiving first aid and when the group is inside due to inclement weather and social distancing is not possible. Parents and campers must wear masks at pick-up and drop-off.

Temperature and Questionnaire Screening: All staff and campers are required to take their temperature and fill out a questionnaire based off CDC guidance, upon arrival at camp each day. Staff and camper temperatures must be below 100.4 degrees F.

Drop-Off/Pick-up: Drop-off and pick-up will be staggered with some camps running from 8:30am-3:30pm and some from 9am-4pm. 1st/2nd grade camps will drop-off and pick-up on the lawn across from the Preschool. 3rd/4th grade camps will drop-off and pick-up on the lawn behind the mansion. Parents and campers must be in masks for drop-off and pick-up.

Physical Distancing: We have a fabulous 40-acre nature sanctuary for your child to explore at camp. Staff will work to prevent close contact between campers but there is NO GUARANTEE that physical distancing will be maintained at all times.

Out of State Campers: All campers must be legal residents of the state of Maryland.
